- Power Cons. in Play / Std-By / Low Power Std By: *18 / 6 / < 4W*
- Weight incl. / excl. package in kg: *6.5 / 4.3*
- Set Size - W x D x H (mm): *435 x 290 x 93*
- Packaging - W x D x H (mm): *553 x 384 x 180*
- Equipment Supplied: *Aerial Cable, Mains cord, Batteries, SCART cable*

Product Highlights

- ***Crystal Clear Video***

With Crystal Clear Video, Philips has created the perfect combination of technologies to guarantee the best possible picture restitution:
- *Digital Studio Picture Control: Optimises the picture rendition regardless of the quality of tape used.*
- *Laser cut Video Heads: They have a better profile for a superior head/tape contact. Lesser wear guarantees longer life and higher performance quality.*
- *Studio Tracking System: It improves the tracking accuracy and reduces the crosstalk noise.*
- *Natural Colour: It cleans the colour from any kind of noise and corrects the spill.*

- ***Easy Link***

Easy Link offers maximum convenience when it comes to installing a VCR. There's no need to wait endlessly for the tuning of all channels or to spend time re-sorting the presets in the right order. You just connect both VCR and TV with a Scart cable and plug the mains. That's all! On top of that features like Automatic On/Off switching of the TV when the VCR is used, Direct Record and automatic 16x9 switching make the daily life of the VCR user much easier.

- ***SMART Picture***

With this unique feature, you are now able to optimise the sharpness and colour, in playback, to your own preference.
